E D I T O R I A L

Mmm, we've got rather a splendid selection of lovelies lined up for you this month, and no mistake, including no fewer than two who hail from the land of stars and stripes, in Madison and Veronica Vain. Well, now that the U.S women's football team have been creating some hefty defeats this World Cup, we felt we should have a little American spice in this issue! A few newbies as well like Georgie Darby and Cara Mell, mean we reckon we've got something to tickle everyone's fancy. Plus, I haven't even got round to mentioning Ava Austen, Gina and Christen. But of course, if you don't find a cutie or two here to float your boat, then we can only apologise – and suggest you go and see your GP forthwith!

'Dear Club,
It had been a while since I'd managed to pull any sort of decent bird, mostly because I've been drinking in the same pubs and going to the same clubs with my mates since I was 18 or 19, which is quite a few years ago now. So recently we decided to try somewhere different and went to another part of town to check out

the talent.

We settled on a classy lounge bar, a lot different from our scruffy local pub, and that's where I met Cheryl. Although Cheryl is 32, and six years older than me, she has a fantastic figure with brilliant big jugs and a curvy arse. She makes the most of her assets and that night she was wearing a low-cut top stretched across her lovely knockers and a tight short skirt.

I got in there straight away, buying her drinks and chatting her up. I knew the moment I saw her that I really had to fuck this sexy bird and I flirted with her all night. I didn't notice it happening but after a while I was so taken by her tits that I began to stare at them, imagining what they would feel like. She cottoned on to what I was doing, but instead of giving me an earful she just grinned and promised to allow me to play with them later!

After that the night went by slowly, but by closing time I had an invitation back to Cheryl's flat. Soon we were squeezed up together on the sofa and at last I got my hands on her boobs. It didn't take me long to remove her top and

get those two bouncing beauties free from her bra. I couldn't help myself, squeezing them and kissing and sucking on her big pink nips.

My cock had begun to stiffen and grow and it wasn't long before Cheryl had yanked down my zip and tugged out my cock. She wriggled her tits out of my hands and went down to suck me. As her head moved up and down on my cock I could see a smear of her red lipstick on my shaft and I groped her tits again as she buried her face in my crotch.

“Cheryl was almost dancing as I thrust in hard and deep with each stroke...”

I grunted as my cock pushed further into her mouth and the tip jabbed against the back of her throat. I nearly came on the spot when she pulled it out again, her teeth lightly scraping against my shaft as she swallowed it all the way back in. As she continued to suck, tease, and even spit, I felt the spunk rise in my balls and I prepared to shoot my load down her throat.

But Cheryl wasn't having that. She moved back off of my throbbing cock, and, pulling off her panties and tights, she flipped up her skirt and lay back on the couch, spreading her fanny-lips with her brightly polished fingernails. Her sticky pinkness was framed by a lightly trimmed fringe of blonde pubes, and without messing around I pushed my cock right inside her juicy entrance. Cheryl jerked her hips and wrapped her legs around my waist as I filled her warm wet hole. The horny bitch was whimpering as she rocked her hips back and forth.

I thrust my rod deeper inside her tightly clenched tunnel, fucking her until she stiffened and threw her head back as she

came. “Fuck me,” she purred as her pussy squeezed and contracted around my aching shaft.

I was halfway through giving her hole another good hammering when Cheryl insisted that I pull out and do her up the arse. No, she wasn't the most ladylike bird I'd been out with, but she was far and away the best fuck I have ever had, so I was willing to do whatever it took to keep her sweet. And besides, it's not often that a bloke gets offered anal sex from a fit looking bird with great tits.

Cheryl disappeared for a while to find some baby oil to use as lubricant. Coming back and bending over the armrest of the couch she thrust her arse in the air and reached back to spread her bum cheeks. I poured some oil over her hole and began fingering her ring. Cheryl sucked in her breath as I ran my finger around her ring, probing and teasing it gently until she relaxed enough to allow my finger inside. In and out I fingered her, rubbing a digit against her clit to keep her pussy hard and throbbing.

Once she was relaxed enough I oiled my cock and I ran it up and down her arse crack once or twice before plunging it back inside her cunt. Cheryl was almost dancing as I thrust in hard and deep with each stroke, fucking her hard and making her gasp as her pussy contracted. As she orgasmed, I pulled out my cock and pushed it against her bum hole. She was still coming as I lined up my

cock against her arsehole and prodded. She was wriggling her rear back against my rigid tool and had begun to rub her clit furiously as I began to stuff it hard inside her bum.

Inching it further inside was easy as Cheryl's bucking bumped her ring hard back onto my cock. I held onto her hips to steady her and when I was fully inside her Cheryl demanded that no way should I hold back. I did as she wanted, thrusting my meat in and out of her tight little pipe in a steady rhythm. Cheryl began finger-fucking her pussy in time with my cock as I fucked her deep, using long, slow thrusts.

Gradually I built up some speed, reaming her arse as I sawed deep inside her. Cheryl banged her cheeks back against me and I felt my cock jerk inside her. As I shot my wad I could feel her strong internal muscles milking me of every drop of my spunk. Blimey, you don't pull for ages and then it all comes at once!

Andrew, Stoke.

Georgie Darby's favourite TV show is *The Office*, her favourite food is Thai, her favourite film is *Dirty Dancing*, and her favourite position is on top. What else do you want to know? "Men always want to know if I've got a bloke," laughs lovely Georgie. "And the answer to that is a big 'NO!' I had a boyfriend for about a year, and it did my head in. He expected me to clean up after him and cook for him and do all the shopping – and suck him off while he watched telly." And the problem being..? "I hardly got anything and spent more time

using my fingers and sex toys than getting pleasure from his penis." Yeah, but he sounded like he was enjoying your relationship...

"Of course, he was! He didn't have to lift a finger. I even unzipped his flies for him before I blew him! I'm going to enjoy being single and have a bit of fun with a few people. It's hard to go out with someone when you're a full-time model anyway. I get all these gorgeous boys and girls to work with, and it's been tough to resist them when they've come onto me – but now, guess what? I'm going to shag every single damn one of them senseless!"

TOTAL RECALL

Dear Total Recall,
I'm a dedicated fan of
blondes, especially if they
have the long locks to show
it off. So you can imagine my balls
were utterly boiling over when I came
across Club 33.11 all those years ago,
and discovered the amazingly sexy
Martha and her crotchless tights,
with her neat little pussy on show.
Now there's a clit I wish I could
have a suck on! She even
had a lovely pair of pert
tits to go with it; a real
dream come true in
my book. So one I'd
like to thank Club
for sharing Martha
in the first place,
and two would
it be possible
to see her
again?

Give us a nurse over a doctor any day, especially if it's Veronica Vain administering the pain relief. There might even be a little relief elsewhere if you're lucky. If you're not that lucky, there's plenty of suspender action going on and a great rack to look at, but is this a different life, different career Miss Vain might have chosen?

"I was dead keen at one point, on becoming a nurse. They really are the heroes of the NHS, having to put up with so much shit for so little appreciation and remuneration. Just think if these guys strike, peoples lives go on the line, what would happen if the bankers strike; very little, we might not even notice for a few days."

Wow, there's some strong political sentiment there, possible career change in the future for you?

"Don't be daft, I just hate seeing the foundations of society shat on! But perhaps, as you say, in another life I'd be wearing this outfit for real all day."

I think the number of heart attacks might triple if you did that!

Can You Ever Forgive Me

DVD £9.99, Blu-ray £14.99

Co-written by Nicole Holofcener and Jeff Whitty, and directed by Marielle Heller, we are confronted with a completely fascinating true-crime comedy of the blackest nature, about a serial forger and a failed photographer. Lee Israel (Melissa McCarthy) is unlikely to draw any sympathy, as our visual model for her ramshackle apartment, where she forges in plain sight under the bed, and her lazy squabble is evident. Her venom towards husband is distant, particularly towards those who she feels have let her down. Yet this vicious of her cut tempers it. Once a best-selling author, Israel is now sitting in a 12-unit bungalow, with drinking buddies and fellow loon Jack Hook (Richard E. Grant) who also gives us a bleak yet hilarious character. Desperate for the wealth of her contemporaries, Israel begins to forge letters from the likes of Noel Coward and Dorothy Parker, selling them on to dealers. Up to 400 in total before the FBI got a whiff of the lady that fancy was missing. There is a great deal of authenticity in this production, with the small details creating a believable world in which all kinds of madness takes place. A fantastic run from Grant, whose role is probably suggested in terms of tone, but both McCarthy and Grant create the most superb chemistry between these characters. It's bears the hallmarks of Heller. This is a film to get some popcorn in for.

Being Frank:

The Chris Sievey Story

DVD £9.99, Blu-ray £14.99

As the title suggests this is no straight forward biopic, this is the life of two men, one fictional and one flesh. Frank Sidebottom emerged in 1984 as part of Chris Sievey's band The Fratellis. Starting out as a novelty support act, it quickly grew into a cult phenomenon that eclipsed the success Sievey was having with his group. With his own ITV show Frank Sidebottom's Fantastic Shed Show, the paper-mache from heart, soon started performing at festivals and taking on a life of its own. Although Sievey never revealed himself publicly as the man under the mask, the film does approach the relationship between creator and creation, yet frustratingly doesn't form any conclusions. As exciting as it is from director Steve Sullivan.

Stan and Ollie

DVD £9.99, Blu-ray £14.99

Set during Laurel and Hardy's twilight years on a post-war British theatre tour, Jon S. Baird strikes a delicate balance between laughter and tears, that draws hysterically rather than the slapstick they were famous for. Jeff Pope's (Philomena) dynamic script based on factual accounts of the pair's last by AJ Mann, draws the gold from Steve Coogan and Jimi O'Reilly. Both, of which give career-defining performances of the popular couple who were inseparable on stage, but sometimes turned in different directions off. Excellent support from Nina Arianda and Shirley Henderson as Stan and Ollie's quarrelsome wives, who both provide solid ground to the double act. There is weight and depth here that transcends the boards between the man on stage and the man off. One to catch on DVD.

It's going on for a year since Gina last let her clothes fall off for Club.

Her ambition then was to become a Hollywood superstar but, predictably, she's done nothing about it because she's been too busy working at a hairdresser's in Preston, Lancashire.

"I've been for a few film auditions, and they were fun, but I just ended up messing about and meeting new people to have a laugh with rather than work with," admits the stunning 25-year-old. "In fact, the only 'big part' I've had was when I went down on a boy pal of mine in the back row of the local cinema!

"I can't even remember what the film was. I just remember feeling really horny about halfway through and starting to let my hands wander across my mate's lap. We've messed about a bit before but nothing much more than kissing – so I think he was a bit surprised when I unbuttoned him and started sucking him off till he came down my throat..." Aah, we love a happy ending.

If like me, your life seems to whizz pass in a blur, until the end of the day suddenly appears. You'll understand that it's incredibly easy to misplace various items of importance when your mind is always elsewhere. Which in turn can be problematic, from being unable to find your door keys, work access card, perhaps even your child (it's happened to the best of us). This is where a simple but useful little gadget comes in called Tile. It works off a tracking system that is linked to your phone, and so is assessable through an app. Simply just attach a Tile to things you lose the most, and you'll always be able to locate them, unless of course you also lose your phone. There are a few Tiles within the range, so always one to suit most.

Sometimes a woman comes along who has it all – and it blows us away! One such lady is Madison; beautiful face, smooth bottom, great boobs and a neat little sexy pussy. What more could a Club reader want? Didn't we tell you we always get the most gorgeous girls naked??? "I'm so flattered! You're making me blush!" says our sexy cougar babe, from the U.S. "I've been thinking about packing up next year, but you know what? After finding out how much fun and compliments I get doing a spot of modelling for Club I just may stick with this for a while." Well, it pays for the drinks on a Saturday night! "The sort of places I go, you'd have

to double my fee for me just to get tipsy! There are some smart places in London at the moment, like Sketch, The Hospital Club and The Ned over in The City. I go to all of them because I love going out but when it comes to getting chatted up I think men must think I'm arduous work, but it's just because I'm shy and don't know what to say to people I've just met. I'm a lot better once you get to know me and I can come out of my shell and show you the sexier, chattier me. Then if you get me back to your place you can see even more of me, if you know what I mean..." Oh, we know exactly what you mean, young lady and it sounds very, very, very, very, very nice!

College Harlots

Private

Starring:

Esperanza del Horno, Natalia Starr, Darcia Lee, Scarlett Knight and Francesca di Caprio.

Synopsis:

"School is back on, a new term beginning, and Private is open to all students looking to earn exceptional honours in oral, DP, anal, facials and much more! New girl Scarlett Knight is horny and curious to see what it has to offer, and to her surprise and delight, it's exactly the fuck fest she was hoping for. She is joined by Natalie Starr, Darcie Lee, Francesca di Caprio and Private debutant Esperanza del Horno, dressed in their sexy and skimpy uniforms but they cannot wait to rip them off. The professors really do not stand a chance with these seductive teens looking for sex at every class, as if these girls need

teaching anyway! So wait no more and fulfil your wildest desires, just as they will."

Courtesy of Private

Verdict: Well, I don't think this is on the curriculum at teacher training, hot young

college students gagging for a prick spearing, but all the teachers seem to be coping remarkably well. Scarlett Knight is a standout scene as she pots the Head Teachers balls on the pool table, as the talented but naughty student strips off her uniform and spreads her legs for a munching that would put the kibosh on any dinner, before riding her studs cock to an arse soaking climax.

But Scarlett isn't the only student feeling randy as Natalia Starr shows her top credentials taking a massive tool to hand and receiving a face soaking in return. Capital!

Poon Raider

Digital Playground

Starring:

Kimmy Granger, Rina Ellis, Tina Kay, Danny D, and Ryan Ryder.

Synopsis:

"After the death of her father, Laura Crotch arrives home to acquire Crotch Industries only to find out that her stepmother, the new Mrs Crotch, has a different plan for the company. On the hunt to retrieve her father's rare artefact, Laura learns that her sidekick, Rina, and Mrs Crotch's assistant, Ryan, are working against her with the hopes of acquiring the same rare artefact. After an epic battle of wills, Laura comes out victorious... and covered in cum!"

Courtesy of Digital Playground.

Verdict: As everyone's favourite Desert

Eagle slinging lass gets a porno makeover, we can already hear some of the spinoff 's, yes, we thought of Laura Crotch. But as Kimmy Granger pops on a pair of cargo pants,

we can see this is going to be more than a little watchable. Now with a napping Rina on her shoulder, Laura returns to Crotch Manor, where her late father's wife is busy dismantling her family home. But as Laura looks for her fathers dairy, Ryan Ryder gets more than he bargained for with a deep throating Crotch on the end of his cock. But what is Miss Ellis up to, getting her toes nibbled by Danny D? Well, a good shafting is what we can see, as these two battle it out with a power play. A well-crafted parody that makes the most of Tina Kay.

Is there something we should know about the faggy faddy world of fashion in Britain at the moment? Is it going down the sequinned pan? We only ask because over the last few months we've had a veritable catwalk - full of fashion models beating a path to Club HQ to offer their saucy services. The latest of these rude recruits is Cara Mell, 22, who comes from Keiv and wants to be "as big as Claudia Schiffer". Which is odd because we thought she was quite

slim. Anyway, forget about the fashion stuff, what about the sex stuff?!

"Well, I like it, if that's what you mean!" she says. Well, that's a good start.

"I've been doing it since I was sixteen, and I like it best when it's with slightly older men." Oh, that old chestnut...

"No, it's not that I think older men are better at it or anything. I just like the way they look - a bit more 'worn-in', so to speak! My second boyfriend was almost 40, and he

looked like he'd spent most of those years in bars and screwing women. He looked knackered - but very sexy too." Any favourite positions?

"I love getting fucked from behind. It's the best! I also like to see a man get off. It's sexy as hell to watch him handle himself till he's hard then rub up and down till he comes. But I don't meet many men who like to do that sort of thing." Well, we might know a couple... of million!

It's a woman's prerogative to be late (except with that one little thing that sends the fear of God through us!), but lovely, lovely Ava Austen was bang on time for her shoot – if not a few minutes early. In a world where 10 AM means sometime after Coronation Street, that's nothing short of a miracle...

"I've never stood up a boy or been late for a date or anything," claims Ava. "The main reason is that I don't get asked out that often, so when I do, I don't blow it! Well... I do 'blow' it if you know what I mean," she continues, laughing like a naughty schoolgirl. "I don't think men of any age still quite realise

that girls like sex too! Just because not all of us walk around going 'Fwoar! Look at the arse on that!' doesn't mean we don't meet a man and wonder what his stomach is going to look like when it's three inches from your face and his willy is five inches down your throat! (Do the math, ladies and gentlemen – The Ed.) Us girls think about sex even more than you men do. I get totally squirmy thinking about what it would be like to get the fit Geordie bloke who serves behind the bar at my local between my legs! Do I sound desperate? I do don't I? Well, I can't say I'd turn a man down at this precise moment in time..."

So it's gone from the fit Geordie bloke to us has it?

NORTHERN NOOKIE!

I get your magazine every month and I do appreciate the fact that it is not all about London people and what happens down there. I haven't got anything against the

place, I just know for a fact that plenty of good British dirty behaviour happens all over the country – especially on a Saturday night in my home town of Blackburn! I'll explain...

I hate to say it (though I bet most of your readers would agree with me) but nearly all my most adventurous, no holes barred sexploits have started down in town at the local pubs. A few drinks to get the blood rushing never did me any harm! I tend to hit the town early, about 7.30 in the evening (just after Blind Date!). I've already had a couple of glasses of wine before I hit the pubs then it's vodka and orange all the way! I always stick to shorts because I don't want to add any more inches to my 38-inch boobs and 34-inch bum. I look after my body at gym classes during the week because I like to look good when I go out on the pull. My pulling mates are Karen and Lucy. They're both 21, just like me. It's them who wanted me to write to tell you all about what happened on our last pulling mission two weeks ago (so I'll have to share the money with them if you print this!).

The early evening was spent gossiping and avoiding ex-pulls in various pubs so we were pretty gone by about ten. The subject of conversation had progressed from work, to clothes, to sex (as usual!). I was even drunk enough to tell Lucy and Karen about the knobbing I'd got from an old boyfriend during the week. He'd come over to get some CDs back from me but I'd been feeling really horny all day and hadn't had time to flick the bean before he came over. Obviously I'd had him before so I couldn't really see much harm in jumping on him again and getting him to lick me out. And just like the lad that he is, he just

couldn't refuse! I took him up to my bedroom (I still live at home unfortunately, and my parents were in downstairs) and flopped back on the bed. I stuck my legs in the air, rolled my thong up my legs and threw it in the corner of the room, then looked Tony in the eye and said "Come and get it, Dick Head!"

Lucy and Karen looked shocked as I told them how Tony had stuck three fingers, then four up my pussy while he sucked on my clit.

"You're a filthy mare!" said Karen, the only black girl I know and one of the funniest people you've ever met. "But I wish I could get Tony to give me a good lick-out too!"

"Don't bother, Kaz, he's crap!" I laughed. "He took about 20 minutes to get me frothed up and in the end I had to finish myself off while he wanked over my tits!"

Then, from nowhere, Lucy chimed in: "You don't get that problem with Karen..."

For a moment I didn't really know what she meant. Did she mean Tony had been getting off with my ex or, as was suddenly more apparent, did she mean that Karen had no problem bringing Lucy off with her tongue?

"Are you telling me you've gone down on Lucy?" I said, astonished.

"Shut up, Lucy!" said Karen, trying to put her hand over her mate's mouth.

"No, come on, tell me what's been going on! Are you two lezzers or something?" I demanded, still shocked but also very intrigued – anything to do with sex always gets me interested!

"Well... we've been meaning to tell you," said Lucy ominously, "but we've been seeing a bit of each other... A lot of each other actually!"

I could hardly believe what I was hearing. While Karen sat red-faced beside me, Lucy told me how nearly three months ago Karen had made a pass her when she was very drunk. Lucy hadn't known what to say, "So I just said yes!" laughed Lucy. She told me how Karen had admitted that she'd fancied getting her hands on Lucy for ages but didn't know how she'd react. She said how they'd gone off to the pub toilets (while I was in the same pub getting chatted up by some daft bloke!) and got off with each other! She said

“ Karen had admitted that she fancied getting her hands on Lucy for ages.”

the arse and we'd all said he was a fucking weirdo!).

“I can't believe you didn't tell me,” I said, a little bit hurt that my friends had secrets from me and also a little bit miffed that I'd missed out on something. Hang on a minute! Was I getting turned on by all this girl-girl thing too?! “Then what happened?”

“We fingered each other for ages but it was a bit cramped to do anything else,” said Lucy.

“So I invited her round to my place the following Sunday to finish things off...” said Karen, suddenly not so shy.

It turned out that Lucy had gone round to Karen's parents' place the following week and they had been a bit embarrassed to see each other at first. Then Karen suggested they go and talk in her room. They had sat down on the bed together and gone over what had happened between them and why and, more importantly, what they were going to say to me. Then Lucy had turned to Karen and kissed her on the cheek and then they were at it again. This time Lucy had got on top of Karen and licked her firm brown boobs and then gone down on her and licked her out. That's how Lucy had known how good her friend was at giving head.

By the time the whole story had been told it had gone last orders – and I had gone way past the point of no return! I had missed out on some sex and wanted my share! I knew that Lucy was lucky enough to have a flat of her own so I suggested we carry on our conversation back at hers over some more drinks. A ten-minute taxi ride later and we were back sitting on Lucy's sofa. “So are you two sort of ‘girlfriends’ then?” I asked.

“I suppose so,” said Lucy.

“But does that mean I can't join in then?” I said, drunk and cheeky.

“Fuck!” squealed Karen. “I thought you'd never ask!” Then the fun really began...

Lucy slipped her arm around my shoulders and drew me close to her. Then Karen got down and knelt down on the floor in front of me. Then while Lucy began to give me my first girl-to-girl sex kiss, Karen slid my short

they'd started off kissing just on the lips, then progressed to tongues while Karen moved her hands down Lucy's back and grabbed her bum. “At the same time I moved my hands up to her tits and next thing I know Karen has got one hand between my bum cheeks fingering my pussy from behind while I'm snogging her!” revealed Lucy excitedly.

Now Lucy was in full flow she couldn't stop herself. “I got Kaz's tits out of her top and started sucking on those little brown nipples

and I was really getting off on her. I couldn't believe it; I was really wanting to fuck a girl! Now I can understand what my brother is on about!” (Lucy's brother Michael has recently come out as gay and had been banging on to us about how good it was to fuck a man up

“Lucy had got on top of Karen and licked her firm brown boobs.”

dress up my thighs and opened my legs. I was going to see how good Karen was at the lick-out thing too!

My pussy had felt juicy since we had left the pub. Now it was a slick little river of girl drops! It had made a dark patch on my little panties and I could smell it even over Lucy's perfume.

“Mmmm,” said Karen, “I’m going to enjoy this...” And with that she pushed my legs further apart and started to lick my pussy through my knickers. My head was swimming with the booze and the sex and the smells and the new sensations of a gorgeous girl with her head between my legs. Then when Lucy moved her hand inside the top of my dress and squeezed my right nipple really hard I flipped out and came with a shudder and a squeal.

“I’m sorry, I couldn’t stop myself!”

Karen said nothing, just pulled my panties to one side and began to lick my labia. I slid my bum down the sofa to meet her tongue. This was pure fucking heaven! Lucy was still tongue-kissing me and pinching my nipple even harder. I love it a bit rough!

Then I began to get confident enough to get to grips with my friend's bodies too. First I ran my hands over Lucy's boobs from the outside, then managed to get her bra undone and get them out to feel her flesh. This was the most naughty, bad-girl, exciting thing I had ever done and it was getting better with every grope! I dipped my head and sucked on Lucy's tits, careful to position myself to allow Karen clear access to my soaking pussy, where she was enjoying the taste and smell of my fresh come juice.

Gradually, our twisting orgy of hands and boobs and pussies moved to the floor where I managed to find myself with my head between Karen's long brown legs with my head in her curly muff and getting fingered from behind by Lucy. “Lick me, straight girl,” said Karen, giggling. “Lick it like your girlfriend wants you to lick it. Lick it like the drunk bitch you are! Get your fucking white girl's tongue inside my black pussy and fuck me like a lesbian!” Karen was really getting carried away and I was too, though my tongue was too occupied with her clit to respond!

As we rolled around we positioned ourselves in a lovely sex triangle, my head between Lucy's legs this time, her head

nuzzling at Karen's hot minge and Karen back licking me out even better than last time. It felt like Karen was trying to finger me with three fingers at first, then more. Then I realised she had just about her whole hand up inside me and I rode it for all I was worth – knowing only too well that I was going to have trouble walking the next day!

Our filthy sex session lasted for over four hours, sometimes reaching fever pitch, at other times calming down to cuddling and kissing. I made sure I got an orgasm from both girls and gave them both a faceful of my love! But by five in the morning I was beginning to get tired. All that fucking can be hard work, you know!

I woke at about mid-day snuggled between my best mates in Lucy's bed. As we stirred, we caressed each other and kissed a little, reassuring one another that the previous night hadn't just been another drunken mistake! Later, we made love again (notice I don't use the word ‘fucked’ here!) and it was lovely. If I'm totally honest I did miss having a rough hairy fella fucking into me from behind, but as big nights go, they don't come much bigger than that one!

Hope you enjoyed my letter. And I hope this leads a few more girls to try out girl sex as well as boy sex sometime soon... preferably with us.

Angela, Blackburn.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BACK PASSAGE MESSAGE

I was still living with Sue when I first met Pauline, so it all had to be kept secret. We actually met at a dance class which we were both going to and ended up fooling around a little bit in a small, dark room under the studio once the lesson had ended. I actually ended up fucking Pauline that very first night, a fantastic shag that immediately let me know that here was a game girl, someone who would be up for a bit of sexual adventure in her life. And so she was. We would snatch some shag time whenever and wherever we could, enjoying the fact that we were doing something that we knew was really naughty, really wrong.

Then one Sunday afternoon, when I was round at Pauline's flat, things moved on to another level. As we kissed and cuddled and fondled each other, I somehow found myself behind her and close to her bum with my erect cock. I decided to take my courage in both hands and carefully introduced it to her anus. Pauline didn't shy away exactly, but instead stayed perfectly still. I very carefully pressed forward and suddenly my cock entered her – just the head – very quickly. Pauline squealed a bit and every muscle in her body seemed to lock up. It was obvious to me that she wasn't enjoying the experience, so I quickly pulled out and that was that for the day. The matter simply wasn't discussed and I felt worried that I had gone too far too quickly and that maybe

I had blown my chances of making a real go of it with this undoubtedly sexy woman.

I needn't have worried. I obviously hadn't upset Pauline too much with my little slip, because a few months later we were living together and were both enjoying life. I had got rid of Sue and was really glad I had. Pauline was a seriously sexy girl who was very adventurous in bed. Despite that, I didn't dare to explore the possibility of anal with her. Not after my 'failed entrance

“I took this as a signal and began to massage all around the entrance, smoothing and easing...”

examination' the last time! But I was more than happy with the way things were going anyway, so I wasn't upset by that at all.

Pauline was a qualified masseuse and as you might expect we got into the habit of doing massages for each other. On this one particular afternoon I was giving her an all over massage, which was just as much of a turn-on for me as it was for her. She was lying on the massage table on her front. The room was nice and warm and the lemon and patchouli that was in the oil was making the air heavy with scent. First I worked on Pauline's back and shoulders, neck and arms, bum and thighs and moved all the way down to her feet. Then I turned her over and began to massage her front. I worked on her legs, then went up her thighs to her tummy, paying particular attention to the little grooves where her stomach met the tops of her legs, just along the line of her pubic hair. Pauline always loved that. Finally I moved up to her boobs, easing my fingers up slowly, then pressing in firmly as I got to her nipples, which were pink and swollen hard now. Her chest heaved as she breathed deeply, her eyes closed in ecstasy.

Pauline was totally relaxed by this point, so I asked her to turn over onto her stomach again, which she gladly did. I gave her back some gentle rubs again, smoothing her oily skin before I moved down to her buttocks. I worked and kneaded them, hearing her sighing with pleasure, loving the attention. I wondered if she might like me to explore further, so gently lifted one thigh and eased it sideways so that her legs were opened that little bit further. Pauline slowly moved her other thigh to match. I could just see her pussy hair between her legs.

I worked more on her bum, bit by bit easing further down in-between, up and down, squeezing firmly, watching her beautiful anal opening clench and relax as I came closer and closer to it. I didn't touch it yet, though. At one point I stopped massaging and just rested my finger tips on the inside part of her cheeks. She groaned and lifted her tummy off the table, so that her anus pushed against them. I took this as a signal and began to massage all around the entrance, smoothing and easing, prodding just inside once in a while. Pauline didn't complain, but rather sighed and gasped and even moaned a little. At that point I suspect

“

After a while I leaned forward and pressed my tongue into her anus.”

I stood at the end of the table between her feet, using my thumbs to massage her buttocks, pulling them outwards. After a while I leaned forward and pressed my tongue into her anus. She clenched her bottom and gasped. While my tongue was busy there my hands were free to undo my trousers and slip both them and my briefs down and off. My cock was as hard as iron. I moved forward and let it rest between her buttocks, then

she would have allowed me to do anything.

“Can you slide down to the end of the table?” I asked. Obliging she slid down to the foot of the table so that her upper half was still on it, but her legs were hanging off the end and her feet were on the floor. They were slightly apart and I could see between her cheeks, where the whole area was glistening with oil.

“ My cock was as hard as iron. I moved forward and let it rest between her buttocks...”

began to slide it up and down, gently at first, then pushed it down more firmly. Every time my helmet slid up over the entrance it caught the edge of her entrance for a second and Pauline held her breath. Did she want me inside? I plucked up my courage.

“Do you think we should go for it, Pauline?” I asked. “Do you want me inside you?” She simply nodded. It was all the invitation I needed. Her bum hole was slippery and smooth, so I gripped my cock in one hand and pressed it down against her opening. With each of Pauline’s breaths I could feel her anal muscles first give slightly, then tense again. Finally they relaxed just enough and the shiny purple head of my prick slid in and disappeared. When the head was inside I stopped for a moment, then pressed on. The ring of muscles around her entrance clamped tight just under the head of my dick. The feeling was amazing. I could feel my spunk starting to rise in my shaft and it was all I could do to stop myself coming right there and then. Pauline breathed more deeply and I inched further in. I asked if she was OK and she told me that I would need to put some more oil on my cock, so I slipped out again. I greased myself thoroughly and then slid back in. Pauline started to giggle. She was clearly enjoying herself more now and let out a loud, orgasmic sigh when I was finally so far in that my balls slapped against her arse cheeks. I enjoyed the feeling for a moment, then started to thrust and retreat, thrust and retreat. I pushed in and pulled out and enjoyed the tight feeling of Pauline’s sphincter hugging my stiff cock. Her whole body seemed to be out of her own control now; moving, pulsing and clenching.

“Oh God, this is fantastic,” gasped Pauline. “Your cock feels so tight in my arse. Amazing.” I had never heard Pauline so turned on and listening to her as she told me to fuck her in the arse was an incredible

turn-on. Again, it took all my strength not to come right there and then. After a few more slow and easy strokes I knew that I wouldn't be able to last much longer, so I started thrusting harder and faster and with shorter strokes. The faster I went, the more hoarse Pauline became. She was still gasping and crying out encouragement to me. At first I'd thought that she wouldn't be able to turn herself on to the point of orgasm – not unless one of us could reach her clit and rub it hard

anyway – but the sensation of me stroking my dick in and out of her bum actually seemed to be doing the trick on its own.

"I want you to come deep inside," she gasped. "Right inside, as deep as you can go." I pumped faster and faster, deeper and deeper, and suddenly felt the end of my cock swell up to bursting point. That was it. I wouldn't be able to hold on any longer. I felt my own body tense up and I immediately shot my spunk – four or five hot jets of it – right up her lovely bum. The

“The ring of muscles around her entrance clamped tight just under the head of my dick.”

sensation of hot jizz entering her passage made Pauline come immediately as well and her arse pulled tight around my cock as she shuddered to her own violent climax. She squealed and squealed and I could feel her arse pulsing tight around my cock as orgasms shot through her whole body.

"Oh my God! Oh my God!" cried Pauline loudly as the final waves of ecstasy engulfed her and she finally collapsed back onto the massage table, utterly exhausted by our amazing anal sex session. It was absolutely, positively the most exciting sexual experience I have ever had. And when she'd finally managed to get her breath back Pauline could only agree with me.

DISCREET SERVICE

Lucy

My name is Lucy. I am 28 and 5ft 7 tall with shoulder length brown hair. I am a size 12 with a large bust and long slender legs. I have been married for eight years to a much older man and have a very comfortable lifestyle which is why discretion is important. I am looking for someone to have lots of no strings fun with. I am very fit and very broadminded.

Christen 
PHOTOS: DAZGLAM

Christen has come your way before. Now

she's back on our shores to promote a new video (the name of which escapes us) and, well, herself really!

"I am a shameless self-publicist," laughs the 26-year-old Euro sex superstar. "I love the attention. I suppose that's why I started taking my clothes off in the first place. But if you think I'm bad now, you should have seen me back in my college days. I was a fucking nightmare on heels!

Anyone throwing a party around their house would know that it only took a couple of drinks, some loud rock music and a crowd to get me stripping out of my party dress and putting on a show. The other girls fucking hated me – and I don't blame them! I used to get their guys going then take the cutest one into the john and carry on. I'd do shows for the girls too. And if a babe took even the slightest interest in me, I'd have their panties around their ankles in seconds and be introducing them to a little lady love!"

But if you don't believe even Christen's own declaration of naughtiness, we implore you to look at her pictures on the wonder that is the world wide web, because that Perspex double dildo proves her point in the most amazing pictures you've ever seen!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Rabbit Food!

How many carrots does it take to hide \$500,000 of marijuana? A whole truck full, apparently. An unnamed driver who is being charged with the attempted illegal smuggling of marijuana plants, quickly went up in smoke as his unusual disguise failed to thwart officials at U.S Customs and Border Protection, who weeded out the 29-year-old citizen from Maywood,

California. His Bobtail truck was making its way from Baja, California to the Otay Mesa cargo facility, when it was stopped by officials and the haul discovered. Perhaps some weed-taking bunnies had put in a big order.

Bugs Bunny's chill out zone!

Gagged-Lang Style!

You could be forgiven for thinking this gagged and taped up man is an extracted still from the latest porn flick, but you would be incorrect. A passenger on a flight from Iceland to New York had to be restrained after an incident involving "a disruptive male passenger, who was hitting, screaming and spitting at other passengers while yelling profanities". He was taped and gagged by fellow passengers and members of the flight

crew as he was considered to be a danger to himself as well as others. Officers were notified at the landing airport where the man was quickly arrested. That'll teach you to sit down and watch the in-flight movie!

Shit a Brick!

The art of smuggling has always been a bit of a dirty business, but now it's a smelly one too. One 58-year-old convict at Wellkada Jail in Colombo, Sri Lanka, got a slap on the wrist this week after attempting to smuggle a mobile phone in his rectum. Guards became suspicious when they heard a muffled ringing and, after locating the source, performed a cavity search and discovered not only the mobile phone but a hands-free kit as well. We're not sure how long he was planning to keep it up there for but I bet he's thankful it's not the 80's.

Playing snake with my colon!
